# Preview 2021: OH legal & professional update

**Are you prepared for 2021? Following a year in which COVID-19 has dominated all other topics in occupational health, what are the legal and professional developments that will be affecting your work over the next 12 months?**

This 17th annual 'Preview' conference from The At Work Partnership provides you with an update on crucial developments in OH law and professional practice, focusing this year on COVID-19, mental health, disability discrimination, OH professional practice and OH nursing standards.

A handpicked panel of experts will take delegates through some of the most complex and important developments, providing no-nonsense explanations of how they will affect OH professionals, employers and employees. Our interactive Q&As will ensure that you have plenty of opportunity to get all your questions answered.

**Preview 2021: OH Legal and Professional Update** is one of our most popular annual events, attracting delegates from the UK and overseas who wish to keep up to date with all of the most recent changes in OH law and practice.

**Recent delegates at this event said:**

*"Another great conference facilitated by the At Work Partnership. This is my third seminar I have attended and always leave with valuable information to implement in my role.."*

Lynne Thomson, clinical director – Healthier Business UK

*"If you only go to one training event a year, then this has to be a must for all OH professionals."*

Tracy Arnold, OH manager, Bedford Borough Council

*"As always, an 'update day', not to be missed – always informative – always unmissable."*

Trudy Mapstone, medical services manager, Chessington World of Adventures

**How will attending this training day benefit you?**

**You will gain:**

- A vital update on legislation and recent case law taking you through the complexities of disability discrimination, consent and confidentiality and COVID, as well as other hot topics – you'll be sure you know your obligations, and how to meet them
- Knowledge of the legal dos and don'ts in some of the most difficult areas affecting OH professionals' practice
- An update on key professional practice issues, including a clinical update on COVID, organisational responses to COVID and a look at health surveillance, mental health of homeworkers and supporting employees from BAME backgrounds
- The opportunity to learn about the new OH nursing standards review which will affect all OH nurses, and their importance for OH employers

**PLUS – you will receive printed documentation to keep for future reference.**

**This event is designed for:**

- OH professionals and allied health professionals
- HR managers
- H&S practitioners
- Case managers

**If you can only attend one conference this season, make sure you're prepared for 2021 and come to this essential day!**

## About our expert speakers

**Dr John Ballard** edits *Occupational Health [at Work]* and jointly edited *Discrimination Law and OH Practice* (The At Work Partnership, 2012) with Diana Kloss.
